## ABOUT THE TEACHERS:

**Bobby Singer**

Born and raised in San Francisco, Bobby graduated with a degree in sculpture from the San Francisco Art Institute. He moved to New York shortly after, where he has worked for Jordan Colon as a production potter for the past 4 years. If he isn't at his greenpoint studio building puppets and pouring plaster molds, you can find bobby surfing rockaway beach or tending to his Williamsburg garden.

**Anais De Los Santos**

Anais was born in New Jersey and like Bobby, she also graduated with a degree in sculpture from the San Francisco Art Institute. She has almost 10 years of clay experience, working as a tech and artist at many studios between SF, New York and Philadelphia. Anais also loves to draw in her sketchbook, and ride her bike all around NYC.
